Summary

Computer Science Engineering graduate with strong knowledge of C++, Python, Data Structures & Algorithms, and frontend web development using React.js. Proficient in building responsive user interfaces, problem-solving, and eager to contribute to software development, web technologies, and innovative AI-driven solutions.

Education

Gyan Ganga College of Technology, Jabalpur, MP B.Tech in Computer Science Engineering CGPA: 7.28 / 10	2021 – 2025
Shri Ram Krishna Ashram H.S. School, Jabalpur, MP 12 th (PCM) – 79%	2020 – 2021
Shri Ram Krishna Ashram H.S. School, Jabalpur, MP 10 th – 76%	2018 – 2019

Technical Skills

- **Languages:** C, C++, Python, JavaScript
- **Web:** React.js, HTML5, CSS3, Tailwind CSS
- **Database:** MySQL (basics)
- **Tools:** Git, GitHub, VS Code, Tableau, Power BI
- **Concepts:** Data Structures and Algorithms, OOP, Agile Methodologies

Projects

Portfolio Website [Live]
Designed and developed a personal portfolio to showcase skills and projects. Built with a fully responsive layout and modern UI components.

Technologies: React.js, Tailwind CSS

AI Chatbot [Live]
Built an AI-powered chatbot using Next.js and REST API, delivering contextual responses with efficient state management and responsive design for cross-device support.

Technologies: Next.js, REST API, JavaScript

Travel Tales – Travel Booking System [GitHub]
Built a responsive frontend prototype for a travel booking platform with an intuitive UI for browsing flights and simulating bookings. Focused on clean design, usability, and seamless user experience across devices.

Technologies: HTML5, CSS3, JavaScript, PHP

Training & Certifications

- | | |
|--|---------------------|
| • AI Development Associate Program – CEDMAP Jabalpur (Govt. of India)
Covered AI model building, automation tools, and prompt engineering. | Jul-Sep 2025 |
| • Programming Essentials in C – Cisco Networking Academy | May 2022 |
| • Introduction to Cyber Security – Cisco Networking Academy | May 2022 |

Problem Solving & Interests

Problem Solving: Solved 150+ coding problems on LeetCode and HackerRank.

Hobbies: Problem-solving, learning new programming languages, Gaming.
